**Działalność naukowa prof. Witolda Włodzimierza Głowackiego**

**The scholarly work of Professor Witold Włodzimierz Głowacki**

SUMMARY

The article attempts to give an account of the scholarly work of Professor Witold Włodzimierz Głowacki (1909-2001), graduate of the pharmacy and history departments at the University of Poznań, and member of the International Academy of the History of Pharmacy. The article presents the origins of Professor Głowacki's scholarly interests, a description of his scholarly background and the major areas of his research: the history of the pharmacy trade and the history of medications, as well as other areas of historical research, such as his noteworthy contributions to the cultural history of the Kujawy region of Poland. The scholarly work of Professor Głowacki is of fundamental importance for the history of the pharmacy trade and of pharmaceutical sciences in Poland.
