Relacje między księciem Włodzisławem a Witelonem

Relations between Duke Włodzisław and Witelo

SUMMARY

Peter Lombard's *Sententiae* of the 12th century contained rigorous rules on the ordination of priests, which were followed by popes. The regulations also concerned the Piast Duke of Wrocław and Archbishop of Salzburg, Włodzisław, as well as his peer from the time of their studies at the faculty of liberal arts at Paris, master Witelo. The current paper deals with the relations between Duke Włodzisław and Witelo. It also presents the whole of the duke's life and, in the case of Witelo, gives a detailed account of the period of his studies. Details of Witelo's later life are presented in a book by the author of the article, entitled *Witelo filosofo dalla natura del XIII sec. Una Biografia*, Wrocław 1984.
